

## **We are looking forward to helping you find a wig to wear during your treatment. Please read all of the information below.**

Please visit The Wig Exchange Salon to view some of our expansive Wig collection.

If you are interested in trying on any of our wigs please contact us to make an appointment.

We will contact you and review what type of wig (length, color, etc.) and make an appointment with you at our offices, or send you wigs via USPS. Currently, we are doing appointments in our office.

During the appointment, you will try on the wigs you selected and decide if you want to borrow one. You will also receive wig care instructions and supplies. We can answer questions, share personal insight and provide information about local support services.

There is **zero cost** for the wig rental fee, but we always accept donations.

Once you no longer need the wig, please return it to The Wig Exchange. Our address is TWE, 916 Kingston Avenue, Piedmont, CA 94611. We will have it professionally cleaned before returning it to our inventory so that another woman can benefit from it.

If you have any questions, please contact The Wig Exchange by calling 510.333.7848 or emailing us at [thewigexchange.sfbayarea@gmail.com](mailto:thewigexchange.sfbayarea@gmail.com).
